## ABOUT ME

Hello, I am Abdurrahman Arican. I am a developer who has just started his career as a Mobile Application Developer. I aim to develop creative, innovative and user-friendly mobile applications by specializing in the Flutter software development kit. I am also competent in developing iOS applications with Swift and SwiftUI and I am determined to continuously improve my skills in this field. My applications are available on the Google Play Store.

## EXPERIENCE

### Mobile Application Developer Intern

I completed my internship at Orion Innovation Turkey, where I contributed to software development projects and gained valuable experience in innovative technology solutions.

**[Orion Innovation Turkey](#)**

08/07/2025 - 30/10/2025

### Mobile Application Developer - Flutter

I have been working as a Mobile Application Developer at Devamapp since July 2024. Devamapp is an innovative Super App that supports sustainable mobility by providing services such as charging, parking, maintenance and tire support to vehicle users.
